In a telephone call on March 10, 2006, Kenneth W. Bolvin discussed a previously submitted Response to Office Action with Examiner Thinh T. Nguyen. Examiner Nguyen stated that the word "upper" that was added to claim 3 was confusing in light of the word "upper" already present in independent claim 1. It was agreed that removing the word "upper" from claim 3 would make the claim clear and, therefore, all of the claims would be allowed. The Examiner stated that he would do this with an Examiner's Amendment.

In a telephone call on March 14, 2006, Kenneth W. Bolvin spoke with Examiner Nguyen. The examiner stated that claim 1 would only be allowable over prior art of record if claim 3 was combined with claim 1 and claim 3 was cancelled. Kenneth W. Bolvin agreed to the amendment. The Examiner stated that he would do this with an Examiner's Amendment.

Please contact the undersigned attorney at (612) 312-2211 if you have any questions.

Respectfully submitted,

Date:
